

## Why Blount International Inc. recommends OpenSesame

5/5 Stars

How our organization uses OpenSesame:

“ We use OpenSesame courses to help our team members improve their job skills and leadership skills, as well as explore and learn about other topics that may or may not be related to their current position. **The courses have helped us give our team members a clear path for career development.**

Would you recommend OpenSesame?

“ Yes. Their catalog of courses is huge and they keep adding new courses and new publishers. Their topics are relevant to our business and industry. **Their support and guidance have been above and beyond what we expected.** Not only do they help us with the administration of our courses, but help us to solve our LMS challenges and help our learners.
