10 of out 10 stars for CLC Genomics Workbench

Dr. Ioannis loukas, an Associate Professor at the University of Athens NeoNatal Screening Laboratory (NeoScreen), would be very likely to recommend CLC Genomics Workbench for this reason:

> " Many protocols in one platform.

✔ Validated   Published: Jun. 8, 2020   TVID: 73C-FBA-FCC

Based on a response of 10 to the question "On a scale of 0-10, how likely would you be to recommend QIAGEN Bioinformatics?"
