Please describe how the Qlik Education training programs helped you be more successful in your job role.

> " I attended on-premise training which gave me the basics to get up and running with Qlik. I was able to deliver a project within a 2-3 month period. The competency training helped me understand the bigger picture and the scope of Qlik's offerings.

Please describe what you found the most valuable about Qlik Education compared to other software training.

> " I appreciate the specific details on how to build basic Qlik based projects.
