Please describe how the Qlik Education training programs helped you be more successful in your job role.

“ I attended most of the training classroom sessions in Winnersh, UK, and have been very pleased with the structure, instructors, environment, and ease of access. The instructors went the extra mile to address questions I asked or ask someone at Qlik to respond.

Please describe what you found the most valuable about Qlik Education compared to other software training.

“ There weren't too many people in the class, which enabled us to get even more out of it.
