Please describe how the Qlik Education training programs helped you be more successful in your job role.

> " I attended in-person classes. They greatly enhanced my understanding of the product and what it is capable of.

Please describe what you found the most valuable about Qlik Education compared to other software training.

> " The training material and delivery of the content is far superior to other training courses I have taken for Cognos and SSIS, for example. The instructor answered all questions and knew his stuff, unlike some other training providers.
