Please describe how the Qlik Education training programs helped you be more successful in your job role.

“ I participated in the in-person training. The training made me understand much more quickly how Qlik can be used for data analysis. And the most important thing: I can rest assured that what I have learned is the correct way of using Qlik.

Please describe what you found the most valuable about Qlik Education compared to other software training.

“ The curriculum is easy to follow even without a trainer and the content is quite thorough.
