★★★☆☆

3/5 Stars

Please describe how the Qlik Education training programs helped you be more successful in your job role.

" I attended an in-person class to get up to speed on QlikView administration. It was much more engaging than reading the manual, and the exercises helped visualize the techniques.

Please describe what you found the most valuable about Qlik Education compared to other software training.

" It was very hands-on and we used virtual machines to try things out throughout the course.
