Please share a recent success you've realized by using Qlik with Epic.

“ By integrating Qlik within Hyperspace, we now have a single access point for both our reporting dashboard and our patient drill down.

Would you recommend Qlik for Epic?

“ Yes, Qlik’s associative and global functions allow us as clinicians and hospital administrators to make informed decisions on the fly. Qlik is able to answer new questions as we think rather than being confined to what is immediately on the screen.
