Please describe how the Qlik Education training programs helped you be more successful in your job role.

> " The Qlik Education training program helped me a lot in developing my Qlik skill set and helped me learn best practices for developing and designing my dashboards. I have only taken one Qlik In-Person class but I would highly recommend them. The staff are very friendly and deliver high-quality training.

Please describe what you found the most valuable about Qlik Education compared to other software training.

> " I did had no prior training but all my Qlik training has been amazing – from the staff to the actual environment and the quality of the knowledge delivery. It was a very pleasant and definitely useful experience!
