Please describe how the Qlik Education training programs helped you be more successful in your job role.

> " I attended QlikView Designer and Developer. I am very satisfied because it helped me understand how I can use Qlik in my work in different aspects of information management and the best way to do so.

Please describe what you found the most valuable about Qlik Education compared to other software training.

> " The courses covered a lot of different areas so I could start creating apps in QlikView and develop them according to business needs.
