Please describe how the Qlik Education training programs helped you be more successful in your job role.

“ I attended in-person classes which gave me more insight into what Qlik could do. The classes provided me with the knowledge I needed to adjust the requirements of the project to be more realistic and achievable.

Please describe what you found the most valuable about Qlik Education compared to other software training.

“ Hands-on experience that is not simply following a step-by-step exercise in a book. The instructor encouraged us to think about what we were doing and what we wanted to achieve.
