Please describe how the Qlik Education training programs helped you be more successful in your job role.

" The training was good. I learned how to install and configure Qlik Sense. It was helpful to know exactly what I was working with and what the end should look like.

Please describe what you found the most valuable about Qlik Education compared to other software training.

" The knowledge of the instructor was very high which made it easier to understand even though I didn't have much prior experience with Qlik Sense.
