5/5 Stars

Please describe how the Qlik Education training programs helped you be more successful in your job role.

> " I took in-person classes: Designer and Developer. They gave me the fundamentals to get started making professional Qlik Apps.

Please describe what you found the most valuable about Qlik Education compared to other software training.

> " The in-person training was thorough and the instructor I had for the Developer course had a great style of teaching. It helped me understand how and why we do things in Qlik and not just follow the manual that came with the course.
