

4/5 Stars

Please describe how the Qlik Education training programs helped you be more successful in your job role.

“ We needed basic training and introduction to the product to get started. I am now able to use Qlik but still have much to learn!

Please describe what you found the most valuable about Qlik Education compared to other software training.

“ I liked the real world examples and learning by doing. It was valuable that the instructors were on-site to answer questions.
