Please describe how the Qlik Education training programs helped you be more successful in your job role.

“ I have taken a virtual classroom class. The instructor was accommodating and gave examples that were very in depth and related to students’ questions. That was very helpful.

Please describe what you found the most valuable about Qlik Education compared to other software training.

“ I like that I can find videos and sample solutions to almost any question or situation that I run into. I don’t have to waste time reviewing what I already know. I can go straight into what I’m looking for.
