Please describe how the Qlik Education training programs helped you be more successful in your job role.

“ I attended an in-person QlikView Designer class that helped me better understand the capabilities of the platform and best practices in story telling design. These lessons have been used to enhance our current reporting tool.

Please describe what you found the most valuable about Qlik Education compared to other software training.

“ The small, in-person class was a huge benefit and allowed us to ask specific questions and cover topics that were specific to my application.
