 - Saved my team time and money when searching & discovering innovations

Company Profile

The company featured in this case study asked to have its name publicly blinded because publicly endorsing vendors is against their policies.

TechValidate stands behind the authenticity of this data.

Company Size:
Medium Enterprise

Industry:
Non-profit

About Scopus

Scopus is a multidisciplinary source-neutral abstract and citation database built on enriched and linked research data and content. It helps users quickly access reliable data, metrics, and analytical tools to find relevant and trusted research, identify key contributors, benchmark competition, and inform an R&D strategy.
