Users Prefer Scopus Over Web of Science

Please indicate your level of agreement with each statement as follows:

- Very strongly agree
- Strongly agree
- Agree
- Disagree

1. Coverage of my field is broader and more accurate on Scopus than Web of Science
2. Scopus delivers more relevant search results when compared to Web of Science
3. It is easier to refine, sort, and rank Scopus search results than those on Web of Science
4. The number of titles and publishers indexed by Scopus is more than Web of Science
5. I prefer Scopus over Web of Science
