

State & Local Government

Introduction

This case study of a state & local government is based on an April 2022 survey of SolarWinds customers by TechValidate, a 3rd-party research service. The profiled organization asked to have their name blinded to protect their confidentiality.

“I’ve used your products for 15 years and have been very pleased with them.”

Challenges

The business challenges that led the profiled organization to evaluate and ultimately select SolarWinds:

- IT challenges their agency faced prior to implementing SolarWinds products:
 - Lack of visibility into the problems leading to network performance or capacity issues
 - Not having the tools to troubleshoot network problems or outages
 - Lack of visibility into system/server health

Use Case

The key features and functionalities of SolarWinds that the surveyed organization uses:

- Regular user in the following SolarWinds product areas:
 - Network management
 - Observability
- Uses SolarWinds products across whole organization
- Agency use cases for leveraging SolarWinds products:
 - To monitor network performance
 - To troubleshoot network problems or outages
 - To resolve configuration issues
 - To monitor system/server health
- They deploy SolarWinds to monitor 501-1,000 objects.

Results

The surveyed organization achieved the following results with SolarWinds:

- Results they were able to produce using SolarWinds products:
 - Improve configuration management
 - Improve system and application monitoring and troubleshooting
 - Provide better service levels to the organization
 - Improve log tracking and management
- Favorite SolarWinds products:
 - Network Performance Monitor
 - Network Configuration Manager
 - Kiwi Syslog Server
- Purchased their SolarWinds products because of:
 - Ease of use
 - Integration with other SolarWinds products
 - Scalability / Able to support our growth

Organization Profile

The organization featured in this case study asked to have its name publicly blinded because publicly endorsing vendors is against their policies.

TechValidate stands behind the authenticity of this data.

Organization Size:
State & Local

Industry:
Government
