# HCA Healthcare (USA) Recommends DameWare for Remote Administration

★★★★★

5/5 Stars

How our organization uses DameWare:

" We have about 8-12 people supporting over 1400 computers throughout the hospital. We also support our sister hospital from time to time. DameWare is the only program I have used that has not had any issues.

Would you recommend DameWare?

" I would recommend DameWare because it is easy to use.
