

# Independent Farmers Bank Rates Kiwi Syslog Server as Excellent

5/5 Stars

How our organization uses SolarWinds Kiwi Server:

“ We use Kiwi Syslog Server to collect, collate and centralize Syslog messages, and then forward those messages to SolarWinds LEM (helps with redundancy in case one system fails).

Would you recommend SolarWinds Kiwi Server?

“ Yes, we would recommend SolarWinds Kiwi Server because it works well, is easy to use and requires little, if any, regular maintenance. SolarWinds Kiwi Server just does its job.
