

A Small Business Banking Company Saves Over \$200,000 a Year With Log & Event Manager

SolarWinds Log & Event Manager helps a small business banking company adhere to **HIPAA** and **PCI-DSS** compliance requirements. Over a **100 security incidents** are detected per month, and the bank has reduced the occurrence of network/business downtime by about *30%-50%* with Log & Event Manager.

By detecting and remediating security incidents, the bank has realized a cost-savings of about *\$200,001 – \$500,000* a year with Log & Event Manager.
