

## Serv-U Customer Review: Corepoint Health, LLC (USA)

5/5 Stars

How our organization uses Serv-U:

“ We use Serv-U MFT Server to securely transfer sensitive health data from clients for troubleshooting of our product.

What would you say about Serv-U to someone who is considering purchasing a ‘secure file transfer solution’?

“ Serv-U Managed File Transfer is an excellent solution with a great package. Straightforward, and easy to set up and integrate with AD. Excellent support, should you need any!
