

Grupo Financiero Banorte

Introduction

Grupo Financiero Banorte is a banking and financial services holding company with headquarters in Monterrey and Mexico City. It is one of the four largest commercial banks of Mexico by assets and loans, and the largest retirement fund administrator.

“Sonar helps us maintain coding standards and cleanliness. It’s a great solution for Clean Code.”

Challenges

The top reasons that Grupo Financiero Banorte, a banking and financial services holding company, selected Sonar are:

- To establish organization-wide Clean Code standards for their codebase
- To minimize application maintenance time and costs
- To establish best coding practices in the team

Use Case

The key SonarQube features and functionalities that Grupo Financiero Banorte, S.A. De C.V. uses are:

- Quality Gates to support the Clean as You Code methodology

For Grupo Financiero Banorte, S.A. De C.V., running SonarQube always helps them to find and fix issues in their code without leaving their development workflow. Plus, the development team always practices Clean as You Code with recommended Quality Gates on new code.

Results

With Sonar, Grupo Financiero Banorte, S.A. De C.V. has gained advantages in:

- Speed of analysis
- Detecting issues (bugs, vulnerabilities, hotspots, etc.)
- Contextual guidance in the development workflow
- Support for languages, frameworks, and infrastructure technologies
- Administration of code quality standards using quality gates

Since selecting Sonar, Podemos Progresar saw a return on their investment in less than six months. They’ve also saved more than 15 hours per week or more on average in their development workflow. Sonar has enabled them to achieve their Clean Code goals predictably and systematically.

Grupo Financiero Banorte, S.A. De C.V. has also seen significant results from implementing Clean as You Code, including:

- Focusing efforts on making sure new code is clean instead of addressing technical debt
- Reinforcing coding best practices
- Enabling develops to write high-quality code the first time

Grupo Financiero Banorte, S.A. De C.V. sees Sonar as the best solution for Clean Code.
