

TAXCADDY CUSTOMER TESTIMONIAL

TaxCaddy is very easy to use. I have been with my tax guy for over 30 years. A couple of years ago he moved to an online process that made me feel like I was doing my own taxes. That's what I pay him for. I don't want to do it. At the time I considered finding a new accountant. Since I had been with him for decades, I gave him another shot. Then came TaxCaddy and his long term client was saved.
