

Small Business Healthcare Company

Introduction

This case study of a small business healthcare company is based on an October 2021 survey of Tango Card customers by TechValidate, a 3rd-party research service. The profiled company asked to have their name blinded to protect their confidentiality.

“Tango Card’s API implementation process was smooth. We didn’t have an integrated rewards solution. It was up to our customers to manage and fulfill on their end. We literally had clients going out to the store to buy handfuls of gift cards and then mailing them out to individual employees. They are **THRILLED** with our integrated solution and it saves them a **TON** of time! ”
