

Small Business Financial Services Company

Introduction

This case study of a small business financial services company is based on an October 2016 survey of Tango Card customers by TechValidate, a 3rd-party research service. The profiled company asked to have their name blinded to protect their confidentiality.

“Tango Card eases the process of distribution and is more accessible to the recipient (no more lost \$500 gift cards!) It’s helpful for us to know that we can click a few buttons and go rather than sending someone out to purchase an actual gift card.”

“We value working with local companies. Tango Card’s customer service was on point when I was using it and thanks to this email I think I will refer you guys to our new office manager. ”
