

Educational Institution

Introduction

This case study of a educational institution is based on an October 2021 survey of Tango Card customers by TechValidate, a 3rd-party research service. The profiled organization asked to have their name blinded to protect their confidentiality.

“Recipients earned rewards by completing a survey and providing their email address at the end of the survey. Then, I used Reward Genius to send them their Tango e-gift card. We gave participants a physical gift card to Target or Amazon. There were no real challenges per se, but with Tango, it’s nice being able to offer participants more gift card options. ”

Challenges

While working with Tango Card, they saw a **DECREASE** in the following areas:

- Time spent managing and fulfilling rewards
