

Andrew Kardon, a Vice President, Business Development and Strategy at TopCashback.com, would be very likely to recommend Tango Card for this reason:

“ Not only is the product itself fabulous (very easy to integrate, fantastic commission rates), but the account management is stellar. I have a wonderful relationship with my account manager and his team and even when he’s OOO for a day, he’ll still hop on email to get back to me. I couldn’t ask for a better relationship.
