

Case Study: Medium Enterprise Computer Software Company

Introduction

This case study of a medium enterprise computer software company is based on a March 2016 survey of The Skills Connection customers by TechValidate, a 3rd-party research service. The profiled company asked to have their name blinded to protect their confidentiality.

“The Skills Connection helps drive our analyst relations program and enriches our analyst content to support our success. They have particularly helped us to optimally position our company to the Tier 1 analysts.”

“I would recommend The Skills Connection to anyone who has a great product and needs analyst relations expertise to move it forward in the market. Our consultant clearly knows his stuff, and has been very responsive. This helps us ensure that we’re working on the things that will make the biggest impact for our organization.”

Challenges

- Engaged with The Skills Connection for the following reasons:
 - Wanted to learn how to effectively differentiate themselves from their competitors when talking with analysts
 - Wanted to change their position in the MQ/Wave/Marketscape to generate new business

Use Case

- Uses The Skills Connection to:
 - Provide the necessary expertise to effectively engage analysts
 - Show them how to effectively communicate their story to analysts
 - Help them improve their position in an MQ/Wave/Marketscape
 - Focus just on what was needed, and avoid wasting time on anything else

Results

- Experiences gained with The Skills Connection:
 - Confidence communicating the unique value of their solution to analysts
 - The ability to create a strong evidence-based case to analysts covering their product / service
 - The skills needed to communicate with analysts in the future
- Benefits from working with The Skills Connection:
 - Generated new business by improving the clarity of their market story
 - Positively shifted their position in the MQ/Wave/Marketscape
 - Received better results than when they had engaged with analysts
 - Provided their internal team the tools and skills to effectively engage with analysts
- Rates The Skills Connection 4.5 out of 5 stars.

Company Profile

The company featured in this case study asked to have its name publicly blinded because publicly endorsing vendors is against their policies.

TechValidate stands behind the authenticity of this data.

Company Size:
Medium Enterprise

Industry:
Computer Software

About The Skills Connection

The Skills Connection helps technology companies to get the right results from analyst engagement. They work with technology clients that want to optimize their chances of success in a Gartner MQ or Forrester Wave assessment. In addition, they work with elite analyst firms, providing coaching and training services to sharpen delivery and improve client satisfaction and renewal rates.
