

Medium Enterprise Financial Services Company

Introduction

This case study of a medium enterprise financial services company is based on an April 2017 survey of The Skills Connection customers by TechValidate, a 3rd-party research service. The profiled company asked to have their name blinded to protect their confidentiality.

“The Skills Connection understand the influencer business and are incredibly supportive. They helped focus our team throughout a complex vendor evaluation process and helped to manage the expectations of our management team.”

“They are very professional, consistently honoring all commitments, and they quickly became an integral part of our team. What impressed me most, however, was the way they rallied to our support when we faced a difficult negotiation. You can count on The Skills Connection to provide good guidance and to stand by you no matter what.”
