

Case Study: Small Business Computer Software Company

Introduction

This case study of a small business computer software company is based on a March 2016 survey of The Skills Connection customers by TechValidate, a 3rd-party research service. The profiled company asked to have their name blinded to protect their confidentiality.

“We use The Skill Connection to help us with ongoing analyst engagement, as well as preparing and responding to analyst surveys.”

“They are experienced people who offer good advice and, most particularly, see the situation from our side.”

“We would certainly recommend them. They have helped us to improve our performance and our internal focus on continuously capturing data that will help us in our work with analysts.”

Challenges

- Engaged with The Skills Connection for the following reasons:
 - Did not have the in-house expertise to effectively engage with analysts
 - Wanted to change their position in the MQ/Wave/Marketscape to generate new business

Use Case

- Uses The Skills Connection to:
 - Provide the necessary expertise to effectively engage analysts
 - Show them how to gather the right information for analysts
 - Show them how to effectively communicate their story to analysts
 - Create an internal learning environment so that their team can be more effective in the future
 - Provide the tools and best practices needed to build a strong case for analysts
 - Create compelling evidence-based cases for analysts

Results

- Experiences gained with The Skills Connection:
 - Confidence communicating the unique value of their solution to analysts
 - The ability to create a strong evidence-based case to analysts covering their product / service
 - The skills needed to communicate with analysts in the future
- Benefits from working with The Skills Connection:
 - Made the most effective use of their internal resources
 - Provided their internal team the tools and skills to effectively engage with analysts
 - Effectively communicates the unique value of their products / services
- Rates The Skills Connection 5 out of 5 stars.

Company Profile

The company featured in this case study asked to have its name publicly blinded because publicly endorsing vendors is against their policies.

TechValidate stands behind the authenticity of this data.

Company Size:
Small Business

Industry:
Computer Software

About The Skills Connection

The Skills Connection helps technology companies to get the right results from analyst engagement. They work with technology clients that want to optimize their chances of success in a Gartner MQ or Forrester Wave assessment. In addition, they work with elite analyst firms, providing coaching and training services to sharpen delivery and improve client satisfaction and renewal rates.
