

A Corporate Communications/PR at a small business professional services company would be very likely to recommend The Skills Connection for this reason:

“ The team at The Skills Connection are real pros and provided great guidance to help us develop our analyst plan and briefing decks, as well as work with each presenter to have compelling content, examples and talking points for those briefings. For analyst inquiries, they also helped shape our prep questions and content to make sure we got the most from each analyst interaction.
