

10/10

A Sales/Director/Business Development at a small business healthcare company would be very likely to recommend The Skills Connection for this reason:

- “ 1. They were very prepared and with a very short timeframe set us up for success
2. They provided templates for us to work with
3. They reviewed all of our documentation in detail and provided great suggestions for improvement
4. They were fun to work with and provided a high level of support to our entire team
