

Rating The Skills Connection

4.5/5 Stars

How our organization uses The Skills Connection:

We use Skills Connection as an extension of our Marketing team to manage our analyst relations.

Would you recommend The Skills Connection?

Absolutely – and I do often. They’ve transformed how we interact with, and communicate to, the core analysts in our industry. They helped us hit our Magic Quadrant goal and as a result, have allowed us to give the sales team the ammo they need to be more aggressive when positioning the company against our competitors.
