

Mini Case Study: Health Care For Women

“Before Mineral, I would spend hours and hours searching for answers to HR questions and concerns, only to come up with questionable results. As part of a small business, I wear MANY hats, and ThinkHR has helped me significantly cut down the time I spend looking for answers and helps me to get just what I need!”

—Janna Murphy, Practice Administrator, Health Care For Women

Challenges

Needed to overcome the following challenges prior to using Mineral:

- Answering difficult HR and compliance questions
- Staying up to date on the latest HR and compliance regulations
- The need for a trusted source for HR or compliance solutions/advice
- Reducing time spent on HR or compliance responsibilities
- Saving costs on not having to hire in-house or external resources

Use Case

What sets Mineral apart from other solutions they've used, with regards to helping their business's HR and compliance needs:

- Quality of HR and compliance expertise
- Live advisory services from HR experts
- One place to go to take care of my HR and compliance needs
- Advice I trust that gives me peace of mind
- Quality of service
- Timely updates on changing HR and compliance regulations

Results

Achieved the following benefits with Mineral:

- Faster, accurate guidance from HR and compliance experts
- Increased confidence in level of compliance
- Time savings and less effort in day-to-day HR or compliance administration
- Lowered costs of HR administration
